EXTENSION OF THE OPTION PERIOD UNDER THE PUT OPTION

References are made to (i) the circular of DTXS Silk Road Investment Holdings Company Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) dated 7 August 2019 (the “**Circular**”) in relation to the Subscription of new Shares under Specific Mandate by the Subscriber and the grant of the Put Option to the Subscriber by DTXS International Holdings (being the Controlling Shareholder); and (ii) the announcements of the Company dated 23 August 2019 and 28 August 2019 (the “**Announcements**”) in relation to the poll results of the SGM and the completion of the Subscription respectively. Capitalised terms used herein shall have the same meanings as those defined in the Circular and the Announcements unless the context requires otherwise.

Pursuant to the Put Option Deed, DTXS International Holdings irrevocably granted the Put Option to the Subscriber, but not the obligation, to require DTXS International Holdings to purchase or procure the purchase of all or part of the Option Shares during the Option Period, being the period of three (3) months commencing from the first day of the 25th month from the date of the Completion (i.e. 29 August 2021) and expiring on the last day of the 27th month from the date of the Completion (i.e. 28 November 2021) (both days inclusive).

As informed by DTXS International Holdings, on 31 May 2021, DTXS International Holdings as the Grantor, Mr. Lu as the Guarantor and the Subscriber as the Grantee have mutually agreed to extend the Option Period by twelve (12) months such that the Option Period shall be a period of fifteen (15) months commencing from the first day of the 25th month from the date of Completion (i.e. 29 August 2021) and expiring on the last day of the 39th month from the date of Completion (i.e. 28 November 2022) (both days inclusive) (the “**Option Period Extension**”).

The Put Option was granted to the Subscriber to facilitate the entering into of the Subscription Agreement. The Option Period Extension serves to accommodate the Subscriber by providing an adjusted Option Period to the Subscriber after taking into account of the impact of the outbreak of the coronavirus disease 2019. It is expected that the Option Period Extension would have no direct impact to the Group’s business operations. Save for the Option Period Extension, all the provisions of the Put Option Deed shall remain in full force and effect.
