TIANJIN DEVELOPMENT HOLDINGS LIMITED

(Incorporated in Hong Kong with limited liability)

(Stock Code: 882)

RENEWAL OF EXISTING CONTINUING CONNECTED TRANSACTIONS WITH TIANJIN PHARMACEUTICAL GROUP CO., LTD.

On 15 November 2024, the Company entered into the 2024 Tianjin Pharmaceutical Master Agreements with Tianjin Pharmaceutical to renew the continuing connected transactions contemplated under the Existing Tianjin Pharmaceutical Master Agreements, each for a term of one year commencing from 1 January 2025 to 31 December 2025.

As at the date of this announcement, Tianjin Bohai is a controlling Shareholder which indirectly holds a total of 673,759,143 shares of the Company, representing approximately 62.81% of the total issued shares of the Company. Tianjin Bohai also indirectly holds 33% equity interest in Tianjin Pharmaceutical, which is therefore an associate of Tianjin Bohai and a connected person of the Company as defined in the Listing Rules. Accordingly, the transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As all of the applicable percentage ratios (other than the profits ratio) calculated based on the proposed annual cap for the respective transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements are more than 0.1% but less than 5%, the entering into of the said agreements and the respective transactions contemplated thereunder are subject to the reporting, announcement and annual review requirements, but are exempt from the circular and the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

INTRODUCTION

Reference is made to the announcement of the Company dated 17 November 2021 in relation to the Existing Master Sales Agreement, the Existing Entrusted Processing Master Agreement and the Existing Pharmaceutical Purchase Master Agreement.

As the Existing Tianjin Pharmaceutical Master Agreements will expire on 31 December 2024, on 15 November 2024, the Company entered into the 2024 Master Sales Agreement, the 2024 Entrusted Processing Master Agreement and the 2024 Pharmaceutical Purchase Master Agreement with Tianjin Pharmaceutical to renew the continuing connected transactions contemplated under the Existing Tianjin Pharmaceutical Master Agreements for a term of one year commencing from 1 January 2025 to 31 December 2025.

(A) THE 2024 MASTER SALES AGREEMENT

The principal terms of the 2024 Master Sales Agreement are summarised as follows:

Date

15 November 2024

Parties

- (1) The Company (for itself and on behalf of its subsidiaries) (as supplier); and
- (2) Tianjin Pharmaceutical (for itself and on behalf of its subsidiaries) (as purchaser).

Subject matter

Members of the Group may from time to time sell Chemical Drug and Pharmaceutical Products to members of the Tianjin Pharmaceutical Group according to their needs.

Term

For a term of one year commencing from 1 January 2025 to 31 December 2025, unless terminated by either party by giving one month's notice in writing.

Pricing policy

The prices of the Chemical Drug and Pharmaceutical Products will be determined in accordance with the following principles:

- (1) the members of the Group will sell the Chemical Drug and Pharmaceutical Products to members of the Tianjin Pharmaceutical Group in accordance with the following pricing policies which are equally applicable to independent third party customers:
 - (i) the price (the "**Annual Price**") of each of the Chemical Drug and Pharmaceutical Products will be determined on an annual basis with reference to the costs of production, past/projected profit margin (which may range from 5% to 90% depending on the product category), the market conditions (e.g. the market demand for such category of products and the availability of similar or comparable products in the market) and the price of similar products offered by independent third party suppliers in the same region;
 - (ii) such Annual Price may be adjusted from time to time according to the market conditions (e.g. fluctuations in the costs of raw materials and changes in market demand) and shall be reviewed regularly; and
- (2) the members of the Group may, based on the transaction quantity and payment terms, offer to the members of the Tianjin Pharmaceutical Group the same discount which the Group would offer to its independent third party customers.

The table below sets out the average profit margin in respect of each category of the Chemical Drug and Pharmaceutical Products during the period for the nine months ended 30 September 2024:

Category of products	Average profit margin (approx. %)
Tablets	64%
Capsules	45%
Injection medicines	53%
Other forms of chemical drug products	37%
Pharmaceutical printing and packaging products	20%

The relevant member(s) of the Tianjin Pharmaceutical Group will pay the relevant member(s) of the Group in accordance with the detailed payment terms as set out in the individual sales contract(s), which will be entered into by the relevant parties pursuant to the principles and conditions set out in the 2024 Master Sales Agreement. In addition, the terms of each individual transaction (including but not limited to delivery, return of goods, consideration and payment terms) shall be fair and reasonable, in accordance with the applicable laws and regulations of the PRC and on normal commercial terms, and shall be no more favourable to the Tianjin Pharmaceutical Group than those which the Group would offer to other independent third party customers.

Historical figures, the previous annual caps and the proposed annual cap

Set out below are (i) the historical transaction amounts paid by the Tianjin Pharmaceutical Group to the Group in respect of the transactions carried out under the Existing Master Sales Agreement for the two years ended 31 December 2023 and the nine months ended 30 September 2024, (ii) the annual caps of the Master Sales Agreement for the three years ending 31 December 2024, and (iii) the proposed annual cap for the year ending 31 December 2025:

	For the year ended 31 December 2022	For the year ended 31 December 2023	For the nine months ended 30 September 2024
Historical amounts	RMB 57,410,000	RMB59,509,000	RMB31,832,000
	For the year ended 31 December 2022	For the year ended 31 December 2023	For the year ending 31 December 2024
Previous annual caps	RMB90,000,000	RMB110,000,000	RMB135,000,000
			For the year ending 31 December 2025
Proposed annual cap			RMB94,000,000

The abovementioned proposed annual cap was determined with reference to (i) the historical transaction amounts in respect of the Sales Transactions; (ii) the projected level of demand for the Chemical Drug and Pharmaceutical Products by members of the Tianjin Pharmaceutical Group, which has extensive distribution networks that cover most of the major retail pharmacy groups, clinics and hospitals in Tianjin; and (iii) the PRC's policy to promote the pharmaceutical industry.

Reasons for and benefits of the entering into of the 2024 Master Sales Agreement

Members of the Group had in their ordinary course of business been selling the Chemical Drug and Pharmaceutical Products to members of the Tianjin Pharmaceutical Group in the past. The Directors are of the view that the continuation of the Sales Transactions will enable the Company to maintain its long-term cooperative relationship with the Tianjin Pharmaceutical Group while taking advantage of its wide customer base and extensive distribution network, thus providing a stable source of income for the Group.

(B) THE 2024 ENTRUSTED PROCESSING MASTER AGREEMENT

The principal terms of the 2024 Entrusted Processing Master Agreement are summarised as follows:

Date

15 November 2024

Parties

- (1) The Company (for itself and on behalf of its subsidiaries) (as trustee); and
- (2) Tianjin Pharmaceutical (for itself and on behalf of its subsidiaries) (as entrustor).

Subject matter

Members of the Tianjin Pharmaceutical Group may from time to time entrust members of the Group with the carrying out of manufacturing, processing, quality control, inspection, warehousing and other related work in respect of the Drugs.

Term

For a term of one year commencing from 1 January 2025 to 31 December 2025, unless terminated by either party by giving one month's notice in writing.

Pricing basis

The manufacturing and processing fees will be determined in accordance with the following principles:

- (1) the members of the Group will, in accordance with the following pricing policies which are equally applicable to independent third party customers, and with reference to other factors including market conditions and fees charged by independent third parties for the manufacturing and processing of similar Drugs, charge the members of the Tianjin Pharmaceutical Group the following manufacturing and processing fees:
 - (i) for raw materials and packaging materials: the relevant costs of procurement;
 - (ii) for production inputs other than raw materials and packaging materials (including work done for entrusted manufacturing and processing): total costs plus a profit margin of approximately 10% to 45%; and
- (2) the members of the Group may, based on the production quantity and payment terms, offer to the members of the Tianjin Pharmaceutical Group the same discount which the Group would offer to its independent third party customers.

The relevant member(s) of the Tianjin Pharmaceutical Group will pay the relevant member(s) of the Group in accordance with the detailed payment terms as set out in the individual contract(s), which will be entered into by the relevant parties pursuant to the principles and conditions set out in the 2024 Entrusted Processing Master Agreement. In addition, the terms of each individual transaction (including but not limited to process, quality control, production safety, fees, payment terms, accuracy and reliability of the inspections) shall be fair and reasonable, in accordance with the applicable laws and regulations of the PRC and on normal commercial terms, and shall be no more favourable to the Tianjin Pharmaceutical Group than those which the Group would offer to other independent third party customers.

Historical figures, the previous annual caps and the proposed annual cap

Set out below are (i) the historical transaction amount paid by the Tianjin Pharmaceutical Group to the Group in respect of the transactions carried out under the Existing Entrusted Processing Master Agreement (including the fees for (a) raw materials and packaging materials and (b) other production and work done) for the two years ended 31 December 2023 and the nine months ended 30 September 2024, (ii) the annual caps of the Existing Entrusted Processing Master Agreement for the three years ending 31 December 2024, and (iii) the proposed annual cap for the year ending 31 December 2025:

	For the year ended 31 December 2022	For the year ended 31 December 2023	For the nine months ended 30 September 2024
Historical amounts	RMB33,866,000	RMB33,840,000	RMB13,204,000
	For the year ended 31 December 2022	For the year ended 31 December 2023	For the year ending 31 December 2024
Previous annual caps	RMB80,000,000	RMB90,000,000	RMB100,000,000
			For the year ending 31 December 2025
Proposed annual cap			RMB70,000,000

The abovementioned proposed annual cap was determined with reference to (i) the manufacturing plans of the Tianjin Pharmaceutical Group during the term of the 2024 Entrusted Processing Master Agreement; and (ii) the expected Drug manufacturing and processing capacity of the Group.

Reasons for and benefits of the entering into of the 2024 Entrusted Processing Master Agreement

The relevant member(s) of Tianjin Pharmaceutical Group includes drug market authorised licence holders which are allowed to use qualified contract manufacturing organisation to manufacture pharmaceutical products. Members of the Group, being qualified contract manufacturing organisations, may take advantage of the business opportunities under the Drug MAH System in the pharmaceutical outsourcing industry in the PRC through the entering into of the 2024 Entrusted Processing Master Agreement and the transactions contemplated thereunder. In addition, the entering into of the 2024 Entrusted Processing Master Agreement also allows the Group to fully utilise its production capacity and provide the Group with a steady source of income.

(C) THE 2024 PHARMACEUTICAL PURCHASE MASTER AGREEMENT

The principal terms of the 2024 Pharmaceutical Purchase Master Agreement are summarised as follows:

Date

15 November 2024

Parties

- (1) The Company (for itself and on behalf of its subsidiaries) (as purchaser); and
- (2) Tianjin Pharmaceutical (for itself and on behalf of its subsidiaries) (as supplier).

Subject matter

Members of the Group may from time to time purchase Pharmaceutical Products or Raw Materials from members of the Tianjin Pharmaceutical Group according to their production needs.

Term

For a term of one year commencing from 1 January 2025 to 31 December 2025, unless terminated by either party by giving one month's notice in writing.

Pricing basis

The price of the Pharmaceutical Product(s) or Raw Materials will be determined in accordance with the following principles:

- (1) depending on the type of Pharmaceutical Product or Raw Material to be purchased under the individual contract, if governmental-prescribed price is applicable to such type of drug or raw material, such Pharmaceutical Product or Raw Material shall be supplied at the applicable governmental-prescribed price;
- (2) if governmental-prescribed price is not available for the particular type of Pharmaceutical Product or Raw Material but a governmental-guided pricing standard is available, the price will fall within the range of the government-guided price; and
- (3) where no pricing standard is available as aforesaid, the price shall be determined through arm's length basis by parties with reference to the then prevailing market price and taking into account factors such as the material, product, quality and payment terms of the relevant Pharmaceutical Product or Raw Material, and the Group will evaluate the fairness and reasonableness of the price by obtaining at least two other quotations for the relevant Pharmaceutical Product or Raw Material with similar quality and quantity from independent third party suppliers.

The relevant member(s) of the Group will pay the relevant member(s) of the Tianjin Pharmaceutical Group in accordance with the detailed payment terms as set out in the individual purchase contract(s), which will be entered into by the relevant parties pursuant to the principles and conditions set out in the 2024 Pharmaceutical Purchase Master Agreement. In addition, the terms of each of the individual transaction (including but not limited to the quality standards, delivery, return of goods, consideration and payment terms) shall be fair and reasonable, in accordance with the applicable laws and regulations of the PRC and on normal commercial terms, and shall be no less favourable to the Group as compared with the terms provided by an independent third party in respect of products of a similar or comparable nature.

Historical figures, the previous annual caps and the proposed annual cap

Set out below are (i) the historical transaction amounts paid by the Group to the Tianjin Pharmaceutical Group for the purchase of the Pharmaceutical Product(s) or Raw Materials for the two years ended 31 December 2023 and the nine months ended 30 September 2024, (ii) the annual caps of the Existing Pharmaceutical Purchase Master Agreement for the three years ending 31 December 2024, and (iii) the proposed annual cap in respect of the transactions contemplated under the 2024 Pharmaceutical Purchase Master Agreement for the year ending 31 December 2025:

	For the year ended 31 December 2022	For the year ended 31 December 2023	For the nine months ended 30 September 2024
Historical amounts	RMB1,008,000	RMB2,731,000	RMB2,708,000
	For the year ended 31 December 2022	For the year ended 31 December 2023	For the year ending 31 December 2024
Previous annual caps	RMB9,000,000	RMB10,000,000	RMB12,000,000
			For the year ending 31 December 2025
Proposed annual cap			RMB20,000,000

The abovementioned proposed annual cap was determined with reference to the amount of the Pharmaceutical Product(s) or Raw Materials required under individual contracts previously agreed between members of the Group and members of Tianjin Pharmaceutical Group, the expected demand for such products and the estimated increase in the average price for the Pharmaceutical Product(s) or Raw Materials due to inflation and development of the PRC pharmaceutical and trading markets.

Reasons for and benefits of the entering into of the 2024 Pharmaceutical Purchase Master Agreement

The transactions contemplated under the 2024 Pharmaceutical Purchase Master Agreement have been an integral part of the Group's business. Throughout the long-term cooperation with the Tianjin Pharmaceutical Group, the Tianjin Pharmaceutical Group has been delivering Pharmaceutical Product(s) or Raw Materials with a consistent level of good quality and with competitive prices. By entering into the 2024 Pharmaceutical Purchase Master Agreement, the Group can ensure the quality consistency and manufacturing efficiencies of its own pharmaceutical products.

INTERNAL CONTROL MEASURES

In order to ensure that the transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements will be conducted in accordance with its terms and the pricing policies and within the respective proposed cap amount, the Group has in place the following internal control measures to monitor the transactions:

(1) *in respect of the 2024 Pharmaceutical Purchase Master Agreement*

The members of the Group will regularly keep track of the offered prices for the Pharmaceutical Products or Raw Materials and, where available, compare them with those offered by independent third parties under the supervision of the finance department of the relevant Group members to ensure that the fees or prices for the aforementioned facilities or products are conducted on normal commercial terms and in accordance with the pricing policies in respect of the 2024 Pharmaceutical Purchase Master Agreement.

(2) *in respect of the 2024 Master Sales Agreement*

The general managers of the relevant Group members will be responsible for determining the Annual Prices of the Chemical Drug and Pharmaceutical Products regularly and review such Annual Prices to make adjustments from time to time where necessary in response to market situations, including, among others, fluctuations in raw material costs and changes in market demands. The Group will regularly review the market price of the Chemical Drug and Pharmaceutical Products under the supervision of the finance department of the relevant Group members and compare the selling price of the Chemical Drug and Pharmaceutical Products with similar products on the market before the approval of separate sales contract(s) between members of the Group and members of the Tianjin Pharmaceutical Group in order to ensure that the actual selling price of the Chemical Drug and Pharmaceutical Products and discount to be offered will be no more favourable than those offered to independent third party customers and that the Sales Transactions are conducted in the interests of the Group.

The Group will also inform all its sales agents of the fixed prices of the Chemical Drug and Pharmaceutical Products, and the sales of Chemical Drug and Pharmaceutical Products must be processed at such fixed prices until further notice from the Group. The Group will also ensure that the same sales policy is applied to both independent third parties as well as the Tianjin Pharmaceutical Group. The sales department of the relevant Group members will also monitor the transaction amounts in order to prevent the aggregated sales amount of the Sales Transactions from exceeding the relevant annual caps.

(3) *in respect of the 2024 Entrusted Processing Master Agreement*

The personnel and management of the relevant Group members will conduct regular checks to review and assess whether individual transactions are conducted in accordance with the terms of the 2024 Entrusted Processing Master Agreement, including but not limited to:

- (i) if a comparable market price is available, the Group will compare the proposed fees against market price to ensure that the proposed fees will not be lower than the fees for similar nature of service provided by independent third party manufacturers;
- (ii) if no comparable market price is available, the Group will conduct arm's length negotiation with the relevant connected person to determine the terms in line with the relevant pricing policies based on the value of the relevant service and the actual costs and expenses incurred; and
- (iii) after arm's length negotiation with the relevant connected person, the relevant members of the Group will report to their management who will approve individual transactions as appropriate.

(4) *in respect of all of the 2024 Tianjin Pharmaceutical Master Agreements*

- (i) The financial management department of the relevant members of the Group will be responsible for preparing the accounting records, reporting, and statistical analysis of the continuing connected transactions, and for submitting the same to the Group on a regular basis, to monitor the utilisation of the proposed annual cap and to ensure compliance with the terms of the respective agreement and the pricing policy. The relevant financial management department will also regularly collect and monitor the transaction amounts of the continuing connected transactions to ensure timely assessment on whether the annual caps are exceeded; and
- (ii) the external auditors and independent non-executive Directors of the Company will regularly review the transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements to check and confirm, among other things, whether the pricing policies have been adhered to and whether the proposed annual cap have been exceeded.

OPINION OF THE DIRECTORS

None of the Directors has a material interest in the 2024 Tianjin Pharmaceutical Master Agreements and the respective transactions contemplated thereunder. Notwithstanding the aforementioned, Mr. Teng Fei, Dr. Zhai Xinxiang and Mr. Sun Lijun, being Directors who are also director(s) and/or senior management of certain members of TEDA Holding (i.e. the indirect controlling shareholder of Tianjin Bohai), have either voluntarily abstained from voting on the Board resolutions, or were absent from the relevant Board meeting, for approving the 2024 Tianjin Pharmaceutical Master Agreements and the respective transactions contemplated thereunder (including the proposed annual caps). Since all the executive Directors and the non-executive Director have voluntarily abstained or were absent from voting, the Board defers to the independent non-executive Directors' recommendations on the 2024 Tianjin Pharmaceutical Master Agreements and the transactions contemplated thereunder.

The independent non-executive Directors consider that (i) the entering into of the 2024 Tianjin Pharmaceutical Master Agreements and the respective transactions contemplated thereunder (including the proposed annual caps) is in the ordinary and usual course of business of the Group and in the interests of the Company and the Shareholders as a whole, and (ii) the terms thereof are on normal commercial terms, are fair and reasonable.

INFORMATION ON THE PARTIES

The principal activity of the Company is investment holding. The principal activities of the Group are (i) utilities including supply of electricity, water and heat and thermal power; (ii) pharmaceutical including manufacture and sale of chemical drugs, and research and development of new medicine technology and new products, as well as design, manufacture and printing for pharmaceutical packaging and sale of other paper-based packaging materials; (iii) hotel; (iv) electrical and mechanical including the manufacture and sale of hydroelectric equipment and large scale pump units; and (v) strategic and other investments including investments in associates which are principally engaged in the manufacture and sale of elevators and escalators and provision of port services in Tianjin.

Tianjin Pharmaceutical principally engages in the manufacture and sale of a broad range of pharmaceutical products, research and development, and provision of related consultancy service. It is directly held as to 67% by Jinhushen Biomedical Technology Co., Ltd. (津滬深生物醫藥科技有限公司) and 33% by a wholly-owned subsidiary of Tianjin Bohai, which in turn is an indirect non-wholly owned subsidiary of TEDA Holding.

LISTING RULES IMPLICATIONS

As at the date of this announcement, Tianjin Bohai is a controlling Shareholder which indirectly holds a total of 673,759,143 shares of the Company, representing approximately 62.81% of the total issued shares of the Company. Tianjin Bohai also indirectly holds 33% equity interest in Tianjin Pharmaceutical, which is therefore an associate of Tianjin Bohai and also a connected person of the Company as defined in the Listing Rules. Accordingly, the transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As all of the applicable percentage ratios (other than the profits ratio) calculated based on the proposed annual cap for the respective transactions contemplated under the 2024 Tianjin Pharmaceutical Master Agreements are more than 0.1% but less than 5%, the entering into of the said agreements and the respective transactions contemplated thereunder are subject to the reporting, announcement and annual review requirements, but are exempt from the circular and the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
