VOLUNTARY ANNOUNCEMENT ACQUISITION OF SHARES IN LINK MOBILITY

This is a voluntary announcement made by the Company.

On 11 April 2014, GL, an indirect wholly-owned subsidiary of the Company, acquired the Acquired Shares at a consideration of NOK2,090,000 (equivalent to approximately HK\$2,737,900) through the market of the Oslo Stock Exchange. The Acquired Shares represent approximately 1.42% of Link Mobility's issued share capital as at the date of this announcement.

As the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Acquisition, when aggregated with the Previous Transactions, do not exceed 5%, the Acquisition does not constitute a notifiable transaction for the Company pursuant to Chapter 14 of the Listing Rules.

This is a voluntary announcement made by the Company.

THE ACQUISITION

On 11 April 2014, GL, an indirect wholly-owned subsidiary of the Company, agreed to acquire the Acquired Shares at a consideration of NOK2,090,000 (equivalent to approximately HK\$2,737,900) through the market of the Oslo Stock Exchange.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, the Vendor and its ultimate beneficial owners are independent of and not connected with the Company or any of its connected persons as defined in the Listing Rules.

Acquisition

GL agreed to acquire the Acquired Shares, representing approximately 1.42% of the issued share capital of Link Mobility.

The consideration for the Acquired Shares is NOK19.00 (equivalent to approximately HK\$24.89) per Acquired Share, or an aggregate of NOK2,090,000 (equivalent to approximately HK\$2,737,900), which represents the market price of the Link Mobility Shares at the time of purchase.

The Company intends to fund the consideration through internally generated cash flows. The Directors consider that the consideration for the Acquired Shares is fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The Acquired Shares

The Acquired Shares are not subject to any lock-up or disposal restrictions.

PREVIOUS TRANSACTIONS

Between 24 January 2014 and 19 March 2014, GL acquired through the market of the Oslo Stock Exchange a total of 380,036 Link Mobility Shares at an aggregate consideration of NOK7,797,746 (equivalent to approximately HK\$10,009,947).

The above consideration was determined based on the prevailing trading prices of the Link Mobility Shares and the Directors considered that the above consideration was fair and reasonable and in the interests of the Company and the Shareholders as a whole. The Company funded the considerations through internally generated cash flows.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, the Vendor and Link Mobility under the Previous Transactions and the ultimate beneficial owners of the Vendor and the controlling shareholders of Link Mobility were independent of and not connected with the Company or any of its connected persons.

INFORMATION ABOUT LINK MOBILITY

Link Mobility is a leading provider of mobile solutions and mobile services in Norway. Link Mobility assists clients communicating with their customers, and has a product offering extending from mobile payment, mobile marketing, mobile dialogue, mobile customer relationship management and mobile application.

Upon completion of the Acquisition, the interest of the Group in Link Mobility will be approximately 6.32% of the issued share capital of Link Mobility as at the date of this announcement.

REASON FOR THE ACQUISITION

The Group is principally engaged in the manufacturing of a range of high-technology products; trading and providing services with respect to automation-related equipment; and strategic investment and development in technologies mainly relating to biometric security, high-speed wireless data transmission and communications. Since July 2013, the Group has expanded its biometric service offerings and launched the world's first biometric fingerprint privacy protection platform and devices — FingerQ and PrivacQ — to strengthen its position as the leading provider of patented biometric security solutions. GL is an investment holding company and an indirect wholly-owned subsidiary of the Company.

Having considered that Link Mobility specializes in mobile technology, the Directors believe that the Acquisition represents a valuable opportunity to foster long-term strategic business cooperation with Link Mobility to deliver leading edge solution which will transform the way secure payment information is exchanged over the internet. With the strategic mobile payment partnership together with Link Mobility's technology, FingerQ will provide customers with a peace of mind in the e-payment process.

The Directors (including the independent non-executive Directors) consider that the Acquisition is conducted under normal commercial terms, that the terms of the Acquisition are fair and reasonable and the Acquisition is in the interests of the Company and the Shareholders as a whole.

GENERAL

As the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Acquisition, when aggregated with the Previous Transactions, do not exceed 5%, the Acquisition does not constitute a notifiable transaction for the Company pursuant to Chapter 14 of the Listing Rules.

The Acquisition is subject to completion. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
