The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the latest unaudited management accounts of the Group, the financial results of the Group for the year ending 31 December 2014 are expected to record a significant decline as compared with the financial results recorded by the Group for the year ended 31 December 2013.
