LETTER FROM THE BOARD

Company (the “**Directors**”) general mandates to issue the shares (the “**Shares**”, each a “**Share**”) of HK\$0.10 each in the capital of the Company and to repurchase the Shares; (ii) re-election of Directors; and (iii) adoption of the share option scheme proposed to be adopted by the shareholders of the Company (the “**Shareholders**”, each a “**Shareholder**”) at the AGM (the “**New Share Option Scheme**”).

2. GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

Background

Pursuant to the ordinary resolutions passed by all Shareholders at the annual general meeting of the Company held on 28 May 2013, the Directors were granted a general mandate to allot, issue and deal with Shares and a general mandate to repurchase Shares on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”). These mandates will expire at the conclusion of the forthcoming AGM.

At the AGM, among other businesses, the following ordinary resolutions will be proposed:

- (a) to grant a general mandate (the “**Issue Mandate**”) to the Directors to exercise the power of the Company to allot, issue and otherwise deal with new Shares up to a maximum of 20 per cent. of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of such resolution;
- (b) to grant a general mandate (the “**Repurchase Mandate**”) to the Directors to enable them to repurchase the Shares up to a maximum of 10 per cent. of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of such resolution on the Stock Exchange; and
- (c) to authorise the increase of the number of new Shares which may be allotted and issued under the Issue Mandate by an additional number representing such number of Shares actually repurchased under the Repurchase Mandate (such authorisation is referred to below as the “**Extension Mandate**”).

The Issue Mandate and the Extension Mandate

Shareholders are referred to the ordinary resolutions no. 5 and 7 in the notice of the AGM, as set out on pages 26 to 30, for details of the resolutions on these general mandates which will be considered at the AGM. With reference to these resolutions, the Directors have no immediate plans to allot and issue any new Shares other than Shares which may fall to be issued upon the exercise of options which may be granted under the share option scheme of the Company or pursuant to any scrip dividend scheme which may be approved by the Shareholders.

LETTER FROM THE BOARD

Subject to the passing of the proposed resolution for the grant of the Issue Mandate and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 96,675,600 Shares.

The Repurchase Mandate

Shareholders are referred to the ordinary resolution No. 6 in the notice of the AGM, as set out on pages 26 to 30, for details of the resolution on this general mandate which will be considered at the AGM. With reference to this resolution, the board of Directors of the Company (the “**Board**”) wishes to state that it has no immediate plans to repurchase any Shares pursuant to the Repurchase Mandate.

An explanatory statement, as required by the Rules Governing the Listing of Securities on the Stock Exchange (“**Listing Rules**”) to be sent to the Shareholders in connection with the Repurchase Mandate, is set out in the Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the AGM.

3. RE-ELECTION OF DIRECTORS

In accordance with article 108(A) of the articles of association of the Company (the “**Articles of Association**”), Mr. Gong Xionghui, Mr. Han Huan Guang and Mr. Lin Zhigang will retire as Directors by rotation and, being eligible, offer themselves for re-election as Directors at the AGM.

Biographical details of the re-elected directors as required by Rule 13.51(2) of the Listing Rules are set out in Appendix II to this circular to enable the Shareholders to make informed decision on the re-election of directors. Resolutions no. 3(a), 3(b) and 3(c), as set out in the Notice of the AGM on pages 26 to 30 of this circular, will be proposed to re-elect Mr. Gong Xionghui, Mr. Han Huan Guang and Mr. Lin Zhigang as executive Directors respectively.

LETTER FROM THE BOARD

4. ADOPTION OF NEW SHARE OPTION SCHEME

As the existing share option scheme adopted by the Company on 16 February 2004 (the “Existing Share Option Scheme”) has expired, the Board proposes the adoption of the New Share Option Scheme for the approval by the Shareholders at the Annual General Meeting.

Existing Share Option Scheme

The Existing Share Option Scheme was adopted by the Company on 16 February 2004 for a term of 10 years which expired on 15 February 2014. Since the adoption of the Existing Share Option Scheme and up to the Latest Practicable Date, a total of 62,775,000 options (the “Options”) have been granted and a total of 24,155,000 Options have been cancelled or lapsed under the Existing Share Option Scheme.

New Share Option Scheme

An ordinary resolution will be proposed at the AGM for the approval of the adoption of the New Share Option Scheme with effect from the close of business of the day on which the resolution is passed by the Shareholders at the AGM. A summary of the principal terms of the New Share Option Scheme is set out in Appendix III to this circular. A copy of the New Share Option Scheme will be available for inspection at the Company’s principal place of business in Hong Kong at Suite 3706, 37th Floor, Central Plaza, 18 Harbour Road, Wanchai, Hong Kong during normal business hours from the date of this circular up to and including the date of the AGM.

The purpose of the New Share Option Scheme is to grant Options to selected participants as incentives or rewards for their contribution to the Group. It will enable the Group to reward the employees, the directors and other selected participants for their contributions to the Group and to motivate them to contribute to the development of the Group. Furthermore, the Board believes that the authority given to the Board under the New Share Option Scheme to specify terms and conditions, including the minimum holding period, performance targets and subscription price, in any Option to be granted and to select the appropriate participants, will serve to protect the value of the Company as well as to achieve these purposes of retaining and motivating the participants to contribute to the Group. Accordingly, the Directors consider that it is in the interest of the Company to adopt the New Share Option Scheme.

LETTER FROM THE BOARD

The New Share Option Scheme will be administered by the Board. None of the Directors is a trustee of the New Share Option Scheme or has a direct or indirect interest in such trustee (if any). With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

As at the Latest Practicable Date, except for 28,030,000 outstanding Options, there are no outstanding warrants or convertible securities which entitle the holders to subscribe for the Shares. Assuming that there is no further change in the issued share capital between the period from the Latest Practicable Date to the date on which the New Share Option Scheme is to be conditionally adopted by ordinary resolution of the Shareholders (“the **Adoption Date**”) based on the issued share capital of the Company of 483,378,000 Shares as at the Latest Practicable Date, the number of Shares issuable pursuant to the New Share Option Scheme on the Adoption Date will be 48,337,800 Shares, representing approximately 10% of the issued share capital of the Company on the Adoption Date. Subject to the obtaining of Shareholders’ approval with respect to the adoption of the New Share Option Scheme at the AGM, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other schemes must not in aggregate exceed 10% of the total issued share capital of the Company as at the Adoption Date unless the Company obtains a fresh approval from Shareholders to refresh the 10% limit provided that, inter alia, the maximum number of Shares in respect of which Options may be granted under the New Share Option Scheme together with any Options outstanding and yet to be exercised under the New Share Option Scheme and any other schemes must not exceed 30% of the issued share capital of the Company from time to time.

Value of the Options

The Directors consider it inappropriate to disclose the value of Options which may be granted under the New Share Option Scheme as if they had been granted as at the Latest Practicable Date. Any such valuation will have to be made on the basis of certain option pricing model or other methodology, which depends on various assumptions including, the exercise price, the exercise period, interest rate, expected volatility and other variables. The Directors believe that any calculation of the value of options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to investors.

Conditions precedent of the New Share Option Scheme

The adoption of the New Share Option Scheme is conditional upon:

- (A) the passing of an ordinary resolution to approve and adopt the New Share Option Scheme by the Shareholders in general meeting; and

LETTER FROM THE BOARD

- (B) the Listing Committee of the Stock Exchange granting the listing of and permission to deal in such number of Shares representing 10% of the Shares in issue as at the date of approval of the New Share Option Scheme by the Shareholders in general meeting, which may be issued pursuant to the exercise of Options in accordance with the terms of the New Share Option Scheme.

Application for listing

Application has been made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the New Share Option Scheme.

5. ACTIONS TO BE TAKEN TO ATTEND THE ANNUAL GENERAL MEETING

The notice of the AGM is set out on pages 26 to 30 of this circular. At the AGM, ordinary resolutions will be proposed to approve a number of matters, including, inter alia, (i) the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; (ii) the re-election of Directors; and (iii) the adoption of the New Share Option Scheme.

Completion and return of the proxy form will not preclude you from attending and voting in person at the AGM or any adjournment thereof if you so wish.

6. VOTING AT THE ANNUAL GENERAL MEETING

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of the Shareholders at general meetings must be taken by poll. The chairman of the AGM will therefore demand a poll for every resolution put to the vote of the AGM pursuant to article 72 of the Articles of Association. An announcement on the poll vote results will be made by the Company after the AGM in the manner prescribed under Rule 13.39(5) of the Listing Rules.

LETTER FROM THE BOARD

8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

9. RECOMMENDATIONS

The Directors believe that, the Issue Mandate, the Repurchase Mandate, the Extension Mandate, the re-election of Directors and the adoption of the New Share Option Scheme are in the best interests of the Company and the Shareholders.

An exercise of the powers under the Repurchase Mandate may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value and/or earnings per Share. Such an exercise will only be made when the Directors believe that such repurchase of Shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and/or gearing position of the Company compared with that as at 31 December 2013, being the date of its latest audited consolidated financial statements.

LETTER FROM THE BOARD

The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

The Directors believe that an exercise of the Issue Mandate and the Extension Mandate to issue and allot new Shares will enable the Company to take advantage of market conditions to raise additional capital for the Company.

Accordingly, the Directors recommend that all Shareholders should vote in favour of the ordinary resolutions approving, the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate to the Directors, the re-election of Directors and the adoption of the New Share Option Scheme at the AGM.

10. MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
By order of the Board
EcoGreen Fine Chemicals Group Limited
Yang Yirong
Chairman & President

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. Listing Rules relating to the Repurchase of Shares

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the share of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. Share capital

As at 22 April 2014, being the latest practicable date prior to the issue of this circular (the “**Latest Practicable Date**”), the issued share capital of the Company comprised 483,378,000 Shares.

Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 48,337,800 Shares.

3. Reasons for the repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

4. Funding of repurchases

Repurchase must be funded out of funds which are legally available for the purposes in accordance with the memorandum of association of the Company, the Articles of Association and the Companies Law, Chapter 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands (the “**Companies Law**”). A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

the par value of the shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital.

The Company will use its internal resources to finance purchases of its Shares. The Company does not intend to incur any borrowings or issue any fresh equity in order to specifically finance the purchase of Shares.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2013, being the date of its latest audited consolidated financial statement. However, the Directors do not intend to make any repurchases to such an extent as would, in circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company, which in the opinion of the Directors are from time to time appropriate for the Company.

5. Share prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2013		
April	1.56	1.41
May	1.88	1.50
June	1.92	1.34
July	1.50	1.37
August	1.70	1.42
September	1.70	1.58
October	1.76	1.58
November	1.72	1.60
December	1.78	1.62
2014		
January	1.75	1.61
February	1.73	1.62
March	1.88	1.61
April (up to Latest Practicable Date)	1.95	1.80

6. The Takeovers Code and minimum public holding

If a shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code"). As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the Securities and Futures Ordinance (the "SFO") (Chapter 571 of the Laws of Hong Kong) and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons ("**Substantial Shareholders**") were directly or indirectly interested in 5% or more of the issued capital of the Company:

Name	Beneficial owner	Investment Manager	Number of shares held		Total	% of the issued share capital of the Company
			Interest of corporation controlled by the substantial shareholder	Other interests		
Yang Yirong	400,000	-	198,294,158 <i>(Note a)</i>	-	198,694,158	41.11%
Marietta Limited	198,294,158 <i>(Note a)</i>	-	-	-	198,294,158	41.02%
FMR LLC	-	48,448,000	-	-	48,448,000	10.02%
Platinum Investment Management Limited	-	34,130,000	-	-	34,130,000	7.06%

Notes:

- (a) These shares were registered in the name of and beneficially owned by Marietta Limited, the entire issued share capital of which was directly and beneficially owned by Mr. Yang Yirong.

On the basis of the current shareholding held by each of the Substantial Shareholders set out above, except Marietta Limited and Yang Yirong, each of the Substantial Shareholders will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate is exercised in full. In the opinion of the Directors, the increase of percentage shareholdings of Marietta Limited and Yang Yirong may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeover Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in takeover obligations under the Takeover Code.

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of a repurchase and no disposal by any of Substantial Shareholders of its and his interests in the Shares, an exercise of the Repurchase Mandate, whether in part or in full, will not result in less than 25% of the Shares being held by the public. Moreover, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

7. Share repurchase made by the Company

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the previous six calendar months prior to the Latest Practicable Date.

8. Undertaking

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any shares to the Company or its subsidiaries.

No connected person of the Company has notified the Company that he has a present intention to sell any securities to the Company nor has any such connected person undertaken not to sell any of the securities held by him to the Company in the event that the Repurchase Mandate is granted.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

This Appendix summaries the principal terms of the New Share Option Scheme and does not form, nor is intended to be, part of the New Share Option Scheme nor should it be taken as affecting the interpretation of the rules of the New Share Option Scheme.

NEW SHARE OPTION SCHEME

The following is a summary of the principal terms of the New Share Option Scheme proposed to be approved and adopted by ordinary resolution of the Shareholders at the AGM.

(a) Purposes of the scheme

The purpose of the New Share Option Scheme is to enable the Group to grant options to selected participants as incentives or rewards for their contribution to the Group. The Directors consider the New Share Option Scheme, with its broadened basis of participation, will enable the Group to reward the employees, the Directors and other selected participants for their contributions to the Group. Given that the Directors are entitled to determine any performance targets to be achieved as well as the minimum period that an option must be held before an option can be exercised on a case by case basis, and that the exercise price of an option cannot in any event fall below the price stipulated in the Listing Rules or such higher price as may be fixed by the Directors, it is expected that grantees of an option will make an effort to contribute to the development of the Group so as to bring about an increased market price of the Shares in order to capitalise on the benefits of the options granted.

(b) Who may join

The Directors (which expression shall, for the purpose of this paragraph, include a duly authorised committee thereof) may, at its absolute discretion, invite any person belonging to any of the following classes of participants, to take up options to subscribe for Shares:

- (aa) any employee (whether full-time or part-time including any executive director but excluding any non-executive director) of the Company, any of its subsidiaries or any entity (the “**Invested Entity**”) in which the Group holds an equity interest;
- (bb) any non-executive directors (including independent non-executive directors) of the Company, any of its subsidiaries or any Invested Entity;
- (cc) any supplier of goods or services to any member of the Group or any Invested Entity;
- (dd) any customer of the Group or any Invested Entity;
- (ee) any person or entity that provides research, development or other technological support to the Group or any member of any Invested Entity;

- (ff) any shareholder of any member of the Group or any Invested Entity or any holder of any securities issued by any member of the Group or any Invested Entity;
- (gg) any advisor (professional or otherwise) or consultant to any area of business or business development of the Group or any Invested Entity; and
- (hh) any other group or classes of participants who have contributed or may contribute by way of joint venture, business alliance or other business arrangement and growth of the Group,

and, for the purposes of the New Share Option Scheme, the options may be granted to any company wholly-owned by one or more persons belonging to any of the above classes of participants. For avoidance of doubt, the grant of any options by the Company for the subscription of Shares or other securities of the Group to any person who fall within any of the above classes of participants shall not, by itself, unless the Directors otherwise determined, be construed as a grant of option under the New Share Option Scheme.

The eligibility of any of the above class of participants to the grant of any option shall be determined by the Directors from time to time on the basis of the Directors' option as to his contribution to the development and growth of the Group.

(c) Maximum number of Shares

- (aa) The maximum number of Shares to be issued upon the exercise of all outstanding options granted and yet to be exercised under the New Share Option Scheme and any other share option scheme of the Group must not in aggregate exceed 30% of the issued share capital of the Company from time to time.
- (bb) The total number of Shares which may be issued upon exercise of all options (excluding, for this purpose, options which have lapsed in accordance with the terms of the New Share Option Scheme and any other share option scheme of the Group) to be granted under the New Share Option Scheme and any other share option scheme of the Group must not in aggregate exceed 10% of the Shares in issue on the date of approval of the New Share Option Scheme (the "**General Scheme Limit**").
- (cc) Subject to (aa) above but without prejudice to (dd) below, the Company may issue a circular to its shareholders and seek approval of its shareholders in general meeting to refresh the General Scheme Limit provided that the total number of Shares which may be issued upon

exercise of all options to be granted under the New Share Option Scheme and any other share option scheme of the Group must not exceed 10% of the Shares in issue as at the date of approval of the refreshed limit and for the purpose of calculating the refreshed limit, options (including those outstanding, cancelled, lapsed or exercised in accordance with the New Share Option Scheme and any other share option scheme of the Group) previously granted under the New Share Option Scheme and any other share option scheme of the Group will not be counted. The circular sent by the Company to its Shareholders shall contain, among other information, the information required under Rule 17.02(2)(d) of the Listing Rules and the disclaimer required under Rule 17.02(4) of the Listing Rules.

- (dd) Subject to (aa) above and without prejudice to (cc) above, the Company may seek separate Shareholders' approval in general meeting to grant options beyond the General Scheme Limit or, if applicable, the refreshed limit referred to in (cc) above to participants specifically identified by the Company before such approval is sought. In such event, the Company must send a circular to its Shareholders containing a general description of the specified participants, the number and terms of options to be granted, the purpose of granting options to the specified participants with an explanation as to how the terms of the options serve such purpose and such other information required under Rule 17.02(2)(d) of the Listing Rules and the disclaimer required under Rule 17.02(4) of the Listing Rules.

(d) Maximum entitlement of each participant

Any further grant of options in excess of the Individual Limit in any 12-month period up to and including the date of such further grant shall be subject to the issue of a circular to the Shareholders and the Shareholders' approval in general meeting of the Company with such participant and his associates abstaining from voting. The number and terms (including the exercise price) of options to be granted to such participant must be fixed before Shareholders' approval and the date of board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the exercise price under note (1) to Rule 17.03(9) of the Listing Rules.

(e) Grant of options to connected persons

- (aa) Any grant of options under the New Share Option Scheme to a director, chief executive or substantial shareholder of the Company or any of their respective associates (as defined under the Listing Rules) must be approved by independent non-executive Directors of the Company (excluding independent non-executive Director who is the grantee of the options).
- (bb) Where any grant of options to a substantial shareholder or an independent non-executive director of the Company or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:
 - (i) representing in aggregate over 0.1% of the Shares in issue; and
 - (ii) having an aggregate value, based on the closing price of the Shares at the date of each grant, in excess of HK\$5 million;

such further grant of options must be approved by the Shareholders in general meeting. The Company must send a circular to the Shareholders. All connected persons of the Company must abstain from voting at such general meeting, except that any connected person may vote against the relevant resolution at the general meeting provided that his intention to do so has been stated in the circular. Any vote taken at the meeting to approve the grant of such options must be taken on a poll. Any change in the terms of options granted to a substantial shareholder or an independent non-executive director of the Company or any of their respective associates must be approved by the Shareholders in general meeting.

(f) Time of acceptance and exercise of option

An option may be accepted by a participant within 21 days from the date of the offer of grant of the option.

An option may be exercised in accordance with the terms of the New Share Option Scheme at any time during a period to be determined and notified by the Directors to each grantee, which period may commence on a day after the date upon which the offer for the grant of options is made but shall end in any event not later than 10 years from the date of grant of the option subject to the provisions for early termination thereof. Unless otherwise determined by the Directors and stated in the offer of the grant of options to a grantee, there is no minimum period required under the New Share Option Scheme for the holding of an option before it can be exercised.

(g) Performance targets

Unless the Directors otherwise determined and stated in the offer of the grant of options to a grantee, a grantee is not required to achieve any performance targets before any options granted under the New Share Option Scheme can be exercised.

(h) Subscription price for Shares and consideration for the option

The subscription price for Shares under the New Share Option Scheme will be a price determined by the Directors, but shall not be less than the higher of (i) the closing price of Shares as stated in the Stock Exchange's daily quotations sheet on the date of the offer of grant, which must be a business day; (ii) the average closing price of Shares as stated in the Stock Exchange's daily quotations for the five trading days immediately preceding the date of the offer of grant; and (iii) the nominal value of the Shares.

A nominal consideration of HK\$1 is payable on acceptance of the grant of an option.

(i) Ranking of Shares

(aa) Shares allotted upon the exercise of an option will be subject to all the provisions of the articles of association of the Company and will rank *pari passu* in all respects with the fully paid Shares in issue on the date on which the option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the reopening of the register of members (the "Exercise Date") and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an option shall not carry voting rights until the completion of the registration of the grantee on the register of members of the Company as the holder thereof.

In particular, during the period commencing one month immediately before the earlier of (i) the date of the board meeting (as such date is first notified to the Stock Exchange under the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and (ii) the deadline for the Company to announce its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), and ending on the date of the results announcement, no option may be granted.

(o) Rights on breach of contract

If the Directors shall at their absolute discretion determine that (aa) (1) the grantee of any option (other than an Eligible Employee) or his associate has committed any breach of any contract entered into between the grantee or his associate on the one part and the Group or any Invested Entity on the other part; or (2) that the grantee has committed any act of bankruptcy or has become insolvent or is subject to any winding-up, liquidation or analogous proceedings or has made any arrangement or composition with his creditors generally; or (3) the grantee could no longer make any contribution to the growth and development of the Group by reason of the cessation of its relations with the Group or by other reason whatsoever; and (bb) the option granted to the grantee under the New Share Option Scheme shall lapse, his option will lapse automatically and will not in any event be exercisable on or after the date on which the Directors have so determined.

(q) Rights on winding up

In the event of a resolution being proposed for the voluntary winding-up of the Company during the option period, the grantee may, subject to the provisions of all applicable laws, by notice in writing to the Company at any time not less than two business days before the date on which such resolution is to be considered and/or passed, exercise his option (to the extent not already exercised) either to its full extent or to the extent specified in such notice in accordance with the provisions of the New Share Option Scheme and the Company shall allot and issue to the grantee the Shares in respect of which such grantee has exercised his option not less than one business day before the date on which such resolution is to be considered and/or passed whereupon the grantee shall accordingly be entitled, in respect of the Shares allotted and issued to him in the aforesaid manner, to participate in the distribution of the assets of the Company available in liquidation *pari passu* with the holders of the Shares in issue on the day prior to the date of such resolution.
