PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) issued and unissued Existing Shares of par value of HK\$0.01 each in the share capital of the Company to be consolidated into one (1) Consolidated Share of par value of HK\$0.2 each.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$20,000,000 divided into 2,000,000,000 Existing Shares of HK\$0.01 each, of which 540,000,000 Existing Shares have been allotted and issued, and are fully paid or credited as fully paid. Assuming there will be no change in the issued share capital of the Company from the date of this announcement up to the date on which the Share Consolidation becomes effective, the share capital structure of the Company will be as follows:

	As of the date of this announcement	Immediately after the Share Consolidation becoming effective
Par value	HK\$0.01 per Existing Share	HK\$0.2 per Consolidated Share
Amount of authorised share capital	HK\$20,000,000	HK\$20,000,000
Number of authorised Shares	2,000,000,000 Existing Shares	100,000,000 Consolidated Shares
Number of issued Shares	540,000,000 Existing Shares	27,000,000 Consolidated Shares
Amount of the issued share capital	HK\$5,400,000	HK\$5,400,000

As at the date of this announcement, the Company has no outstanding convertible bonds, options, derivatives, warrants, conversion rights or other similar rights entitling holders thereof to subscribe for or convert into or exchange into Shares.

Save for (i) any fractional Consolidated Shares will not be allocated to Shareholders who may otherwise be entitled; and (ii) the necessary professional expenses for the implementation of the Share Consolidation, the Directors consider that the Share Consolidation will have no effect on the underlying assets, business operations, management or financial position of the Company or the proportional interests of the Shareholders in the Company.

Status of the Consolidated Shares

The Consolidated Shares shall rank *pari passu* in all respects with each other.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following:

- (i) the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
- (ii) the compliance with all relevant procedures and requirements under the laws of the Cayman Islands and Hong Kong (where applicable) and the Listing Rules to effect the Share Consolidation; and
- (iii) the Listing Committee granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective.

Subject to the fulfilment of the conditions of the Share Consolidation, the effective date of the Share Consolidation is expected to be Friday, 25 April 2025.

REASONS FOR THE SHARE CONSOLIDATION

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01, the issuer may be required to proceed with a consolidation of its securities. According to the “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated in June 2024, (i) any trading price less than HK\$0.1 will be considered as trading at extremities; and (ii) taking into account the minimum transaction costs for a securities trade, the expected board lot value should be greater than HK\$2,000.

As at the date of this announcement, the closing price of an Existing Share of the Company was HK\$0.057, with a board lot size of 2,000 Existing Shares, the existing board lot value was only HK\$114, which was less than HK\$2,000. The closing prices of the Existing Shares were below HK\$0.1 per Existing Share since 29 September 2024 and up to the date of this announcement with the highest closing price of HK\$0.064 per Existing Share on 16 January 2025 and the lowest closing price of HK\$0.043 per Existing Share on 29 November 2024 and the Existing Shares have been trading at below HK\$0.1 per Share during the past six months.

In view of the downward trend of the Share prices of the Company and the Existing Shares were trading at extremity in the past months, the proposed Share Consolidation is justified to increase the corresponding Share prices and to facilitate trading activities. In addition, the Board proposes to implement the Share Consolidation, resulting in the theoretical closing price of HK\$1.14 per Consolidated Share and the estimated value of HK\$2,000 per board lot of 2,000 Consolidated Shares will enable the Company to comply with the trading requirements under the Listing Rules and reduce the transaction and registration costs incurred by the Shareholders and investors of the Company in dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction cost for each securities trade.

As such, the Board considers that the Share Consolidation is beneficial to and in the interests of the Company and the Shareholders as a whole.

NO CHANGE IN BOARD LOT SIZE

The Existing Shares are currently traded on the Stock Exchange in the board lot size of 2,000 Existing Shares. Upon the Share Consolidation becoming effective, the board lot size for trading in the Consolidated Shares will remain unchanged at 2,000 Consolidated Shares per board lot.

LISTING AND DEALING

Application will be made to the Listing Committee for the listing of, and permission to deal in, the Consolidated Shares arising from the Share Consolidation.

The Consolidated Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid. Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

None of the share capital or debt securities of the Company is listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

OTHER ARRANGEMENTS

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be issued to the Shareholders.
