As at the Latest Practicable Date, the Company has 1,268,188,000 Shares in issue. Based on the number of issued Shares as at the Latest Practicable Date, the Interim Dividend, if declared and paid, will amount to an aggregate amount of approximately HK\$267.2 million. Subject to the fulfilment of the conditions set out in the paragraph headed "Conditions of the payment of the Interim Dividend" below, the Interim Dividend is intended to be paid out of the Share Premium Account pursuant to Article 134 of the Articles and in accordance with section 34(2) of the Companies Act.

According to the unaudited consolidated financial statements of the Company for the six months ended 30 June 2022, the amount standing to the credit of the Share Premium Account of the Company as at 30 June 2022 was approximately RMB1,325.9 million. Upon the payment of the Interim Dividend, the remaining balance of the amount standing to the credit of the Share Premium Account of the Company will be approximately RMB1,094 million.

Conditions of the payment of the Interim Dividend
